WORK EXPERIENCES

Sales Representative Top Pro Home Builders (Part-Time)

- High-Volume Outbound Prospecting: Maintaining a high daily call volume (typically 150 to 300+ dials depending on whether a manual or multi-line automated dialer is used) to reach targeted homeowners.
- Lead Qualification: Filtering prospects based on specific criteria to ensure the sales team only meets with viable clients. This includes verifying:
  -Homeownership: Confirming they actually own the property (not renting).
  - Project Need/Interest: Identifying specific pain points.

- Appointment Setting: Pitching and securing a specific date and time for a free, in-home estimate, consultation, or digital design assessment.
- Data Hygiene and CRM Management: Accurately logging call outcomes, updating homeowner contact details, noting specific property conditions mentioned during the call, and scheduling follow-up tasks within the CRM.

Real Estate Cold Calling/Appointment Setting/Transaction Coordinator(Partime-Full Time)

Work From Home(January-2021-2026)

File Management and Documentation:

- Organize and manage transaction files from contract through closing, ensuring all documents are correctly completed, signed, and stored.
- Review contracts for accuracy and completeness, verifying all necessary information and disclosures are in place.

Communication and Coordination:

- Act as the main point of contact for buyers, sellers, escrow companies, and internal teams (sales and acquisition agents).
- Update all parties on transaction progress, deadlines, and requirements, maintaining open communication to prevent delays.

Deadline Tracking:

- Monitor key transaction milestones and deadlines, such as inspection periods, financing contingencies, and closing dates.
- Follow up on missing documentation or overdue tasks with relevant parties to keep the transaction on track.

CRM and Database Management:

- Maintain transaction data in the CRM, ensuring all updates are logged for accurate records and future reference.
- Prepare transaction summaries, progress reports, and closing statements for management and team reference.

Due Diligence Assistance:

- Support the due diligence process by ensuring that all property details, title documents, and third-party reports are received and verified.
- Coordinate inspections, appraisals, or other evaluations as needed.
